Dear Educator,

Thank you for participating in Agricultural Literacy Day during the 2018-19 school year! Our mission is to increase agricultural literacy and teach the future generation where their food comes from.

You or a volunteer will be reading *These Florida Farms!* to your students. Each student receives a sticker and a bookmark. Please keep the book for your classroom library. A digital version of the book along with teacher resources can be found at <https://faitc.org/ag-literacy-day/>.

Please enjoy these resources provided for free from Florida Agriculture in the Classroom. The funding is made possible through the sale of the Ag Tag. We hope you enjoy educating the future generation about Florida's agriculture!

Sincerely,

Florida Agriculture in the Classroom

FAITC is a non-profit educational organization dedicated to helping students grow their knowledge of Florida agriculture, the environment and natural resources. It is funded by the sale of the agriculture specialty plate called the 'Ag Tag.'

## Teacher Resources

<i>These Florida Farms!</i> Pre/Post Test	10 Questions, True or False on Florida Agriculture.
Word Scramble	Create words using a given vocabulary word.
Vocabulary Terms	See a list of vocabulary words and various ways to use them.
