

# JOIN US FOR AGRICULTURE LITERACY DAY!

## Register Today

We would like to invite you to participate in Agricultural Literacy Day during the 2019-20 school year! Our goal with this program is to teach the future generation where their food, fiber and natural resources come from.

The goal is to find a volunteer from the Agriculture Industry to read **Forever There's A Forest!** to your students, but this is not a requirement. Please keep the book for your classroom library.

- One book per class
- Each student receives a bookmark and a sticker
- Teacher resources and activities
- READ ANYTIME DURING THE 2019- 2020 SCHOOL YEAR
- Register at <https://faitc.org/ag-literacy-day/>
- Its FREE, funding made possible through the AgTag
